

BECOME A CORPORATE SPONSOR

It's the 30th Anniversary of Bug Bowl!

This year we are going DIGITAL to help keep our community safe during this time of COVID-19.

We've planned a week of digital programming for schools and families April 12-17th, 2021. Your tax-deductible donation will help keep this event accessible and free to everyone. We need help covering the costs of real-time closed captioning, livestream tech support, and supply kits for schools.

\$1,000 Sponsorship Level:

Your company name and logo will be displayed on all Bug Bowl digital programs. You will also be listed as a sponsor on our website and in social media posts.

To become a sponsor, send a check payable to Purdue University with your desired level of sponsorship to:

Bug Bowl/Purdue Entomology
901 W State St.
West Lafayette IN 47907

Questions? Please contact us! We'd love to tell you more about this great event.
