

Spider Personality Quiz!

How active are you?		
I like laying around	Depends on my mood	I can't sit still!
Are you good at details?		
Yes! Everything must be neat and clean!	Sometimes?	I never clean my room. It's good enough
Do you like it better inside or outside?		
I like staying inside	Don't care	I like it outside
Do you like to travel?		
I hate traveling	It's ok	I want to see the world!
How Social are you?		
I love being around other people!	Depends on my mood	I'd rather be alone

How many boxes did you check in each column?

Multiply by 1 =	Multiply by 3 =	Multiply by 5 =

Add the three columns together to get your

Total Spider Personality Score: _____

Orb Weavers: (5 - 12)

Neat freaks with very complex, orderly webs. You don't mind close neighbors, as long as they don't get in your space.

When you eat, you carefully wrap up your food.

Cellar Spiders: (13-18)

You don't like it outside; it's cold out there! Your web is a total mess, and you leave food everywhere.

When you're scared, you vibrate.

Jumping Spiders: (19 - 22)

You're at home both indoors or outside, and are always on the go! A natural acrobat.

You mostly use your silk like a bungee cord to help you with leaping around.

Wolf Spiders: (23-25)

Outdoorsy, athletic loners; you hunt down your prey. You look kinda scary, but are secretly very nice on the inside.

Your web is a small sleeping bag of silk.
