ATTENTION LIVESTOCK GRAZIERS

Join the Indiana Forage Council as they host the Heart of America Grazing Conference on February 20-21, 2023.

Forage and grazing experts from across the nation will lead discussions on the latest research in grazing, soil science, soil health, and other fantastic topics.

Register today!

TOPICS TO INCLUDE

- Bale Grazing
- Soil Science and Soil Health
- The Power of Managed Grazing
- Grazing Options with Small Ruminants
- Shared Experiences from Seasoned Graziers

More information to be posted on the Indiana Forage Council website and Facebook page.
