

Beetle Bling!

Make your own beetle rings and bracelets

1. Color your beetle!
2. Cut it out.
3. Cut out this box along the side to make a bracelet, or trim it shorter to make a ring.

You can also use colored paper to make a matching band, or color this box!

4. Roll your band around your wrist or finger, and tape to fit.
5. Attach your beetle! You can staple it, tape it, or glue it. Whatever is easiest.
6. Enjoy!
